

Tab B – Useful Maps

- ESCA MRA Group Map
- ESCA MRA Group Land Use Map
- MRA Property Maps
- Probability of Encountering MEC Maps

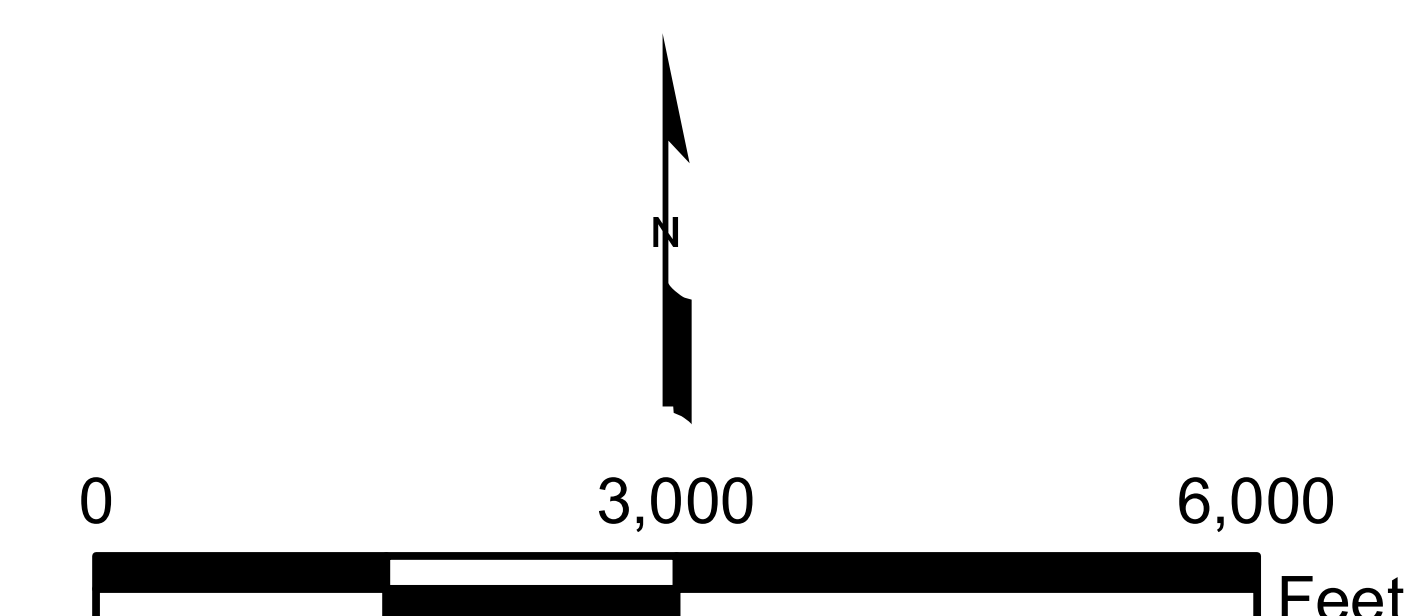

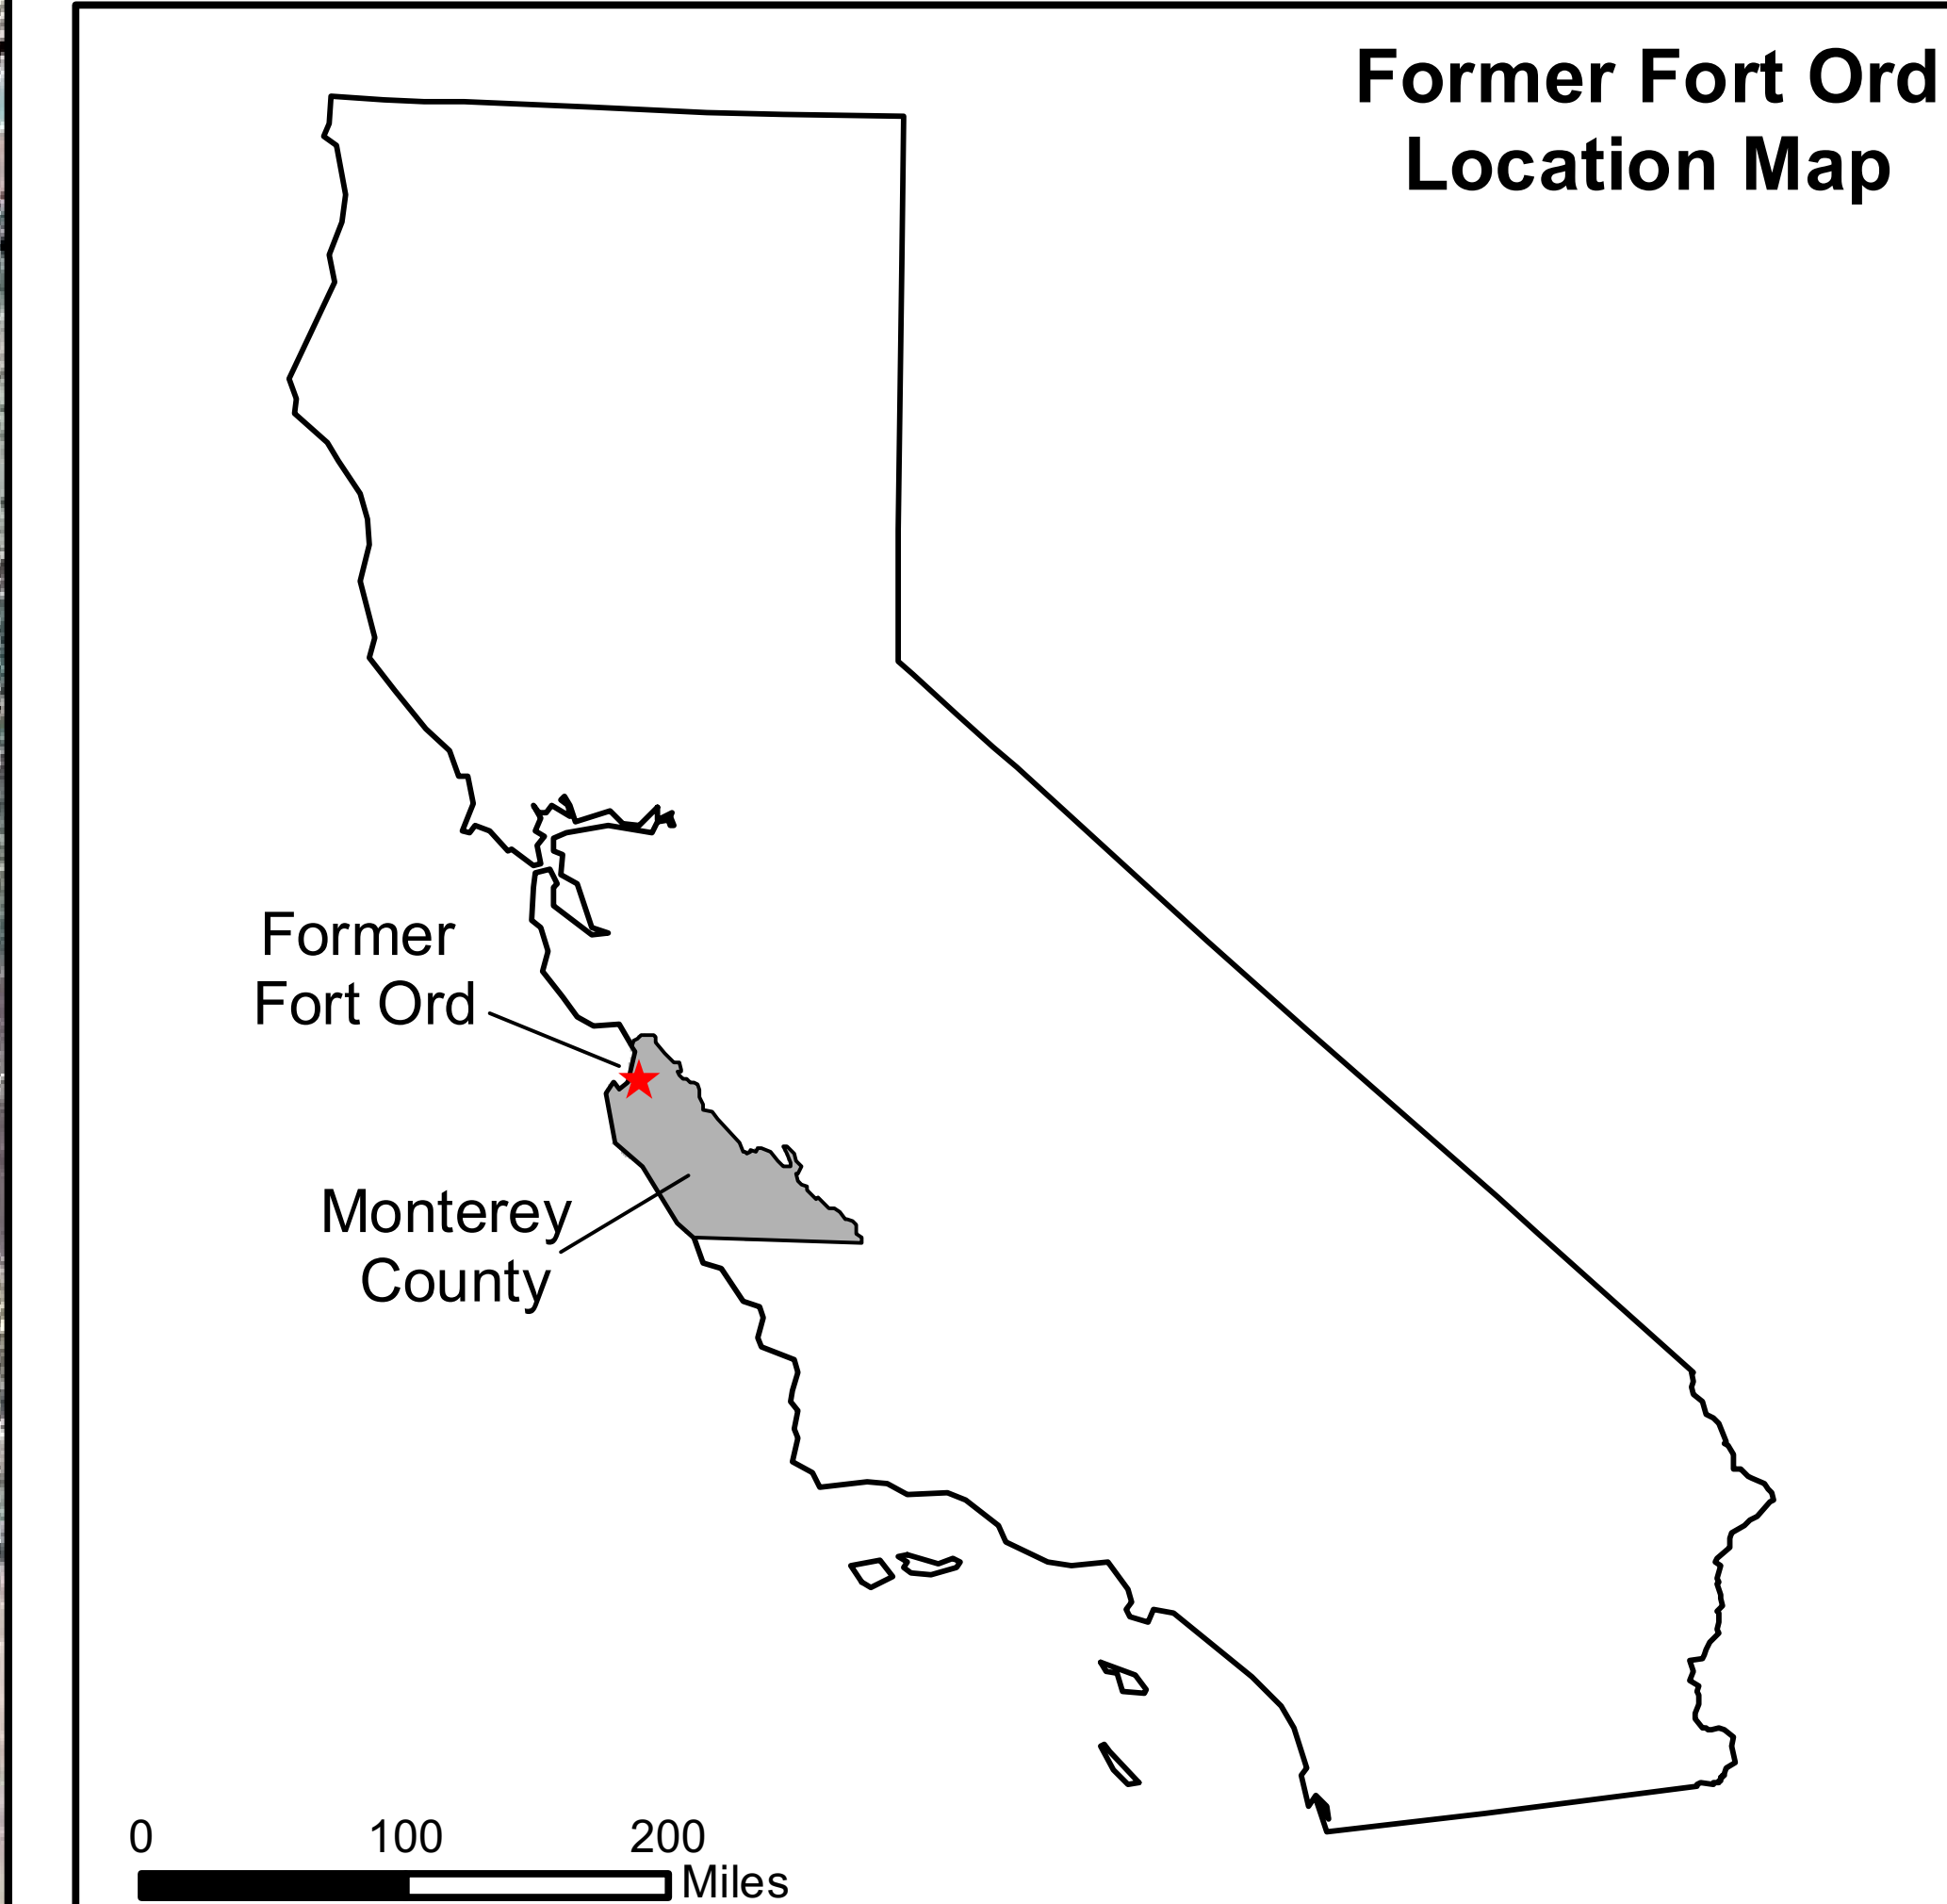

Legend

- Munitions Response Area
- Major Road
- Borderland Interface
- 100-Foot Buffer from Borderland Interface
- Former Fort Ord Boundary
- Phase I Removal Area Completed by Army

Designated Future Land Use

- Residential
- Non-Residential
- Habitat Reserve
- Habitat Corridor

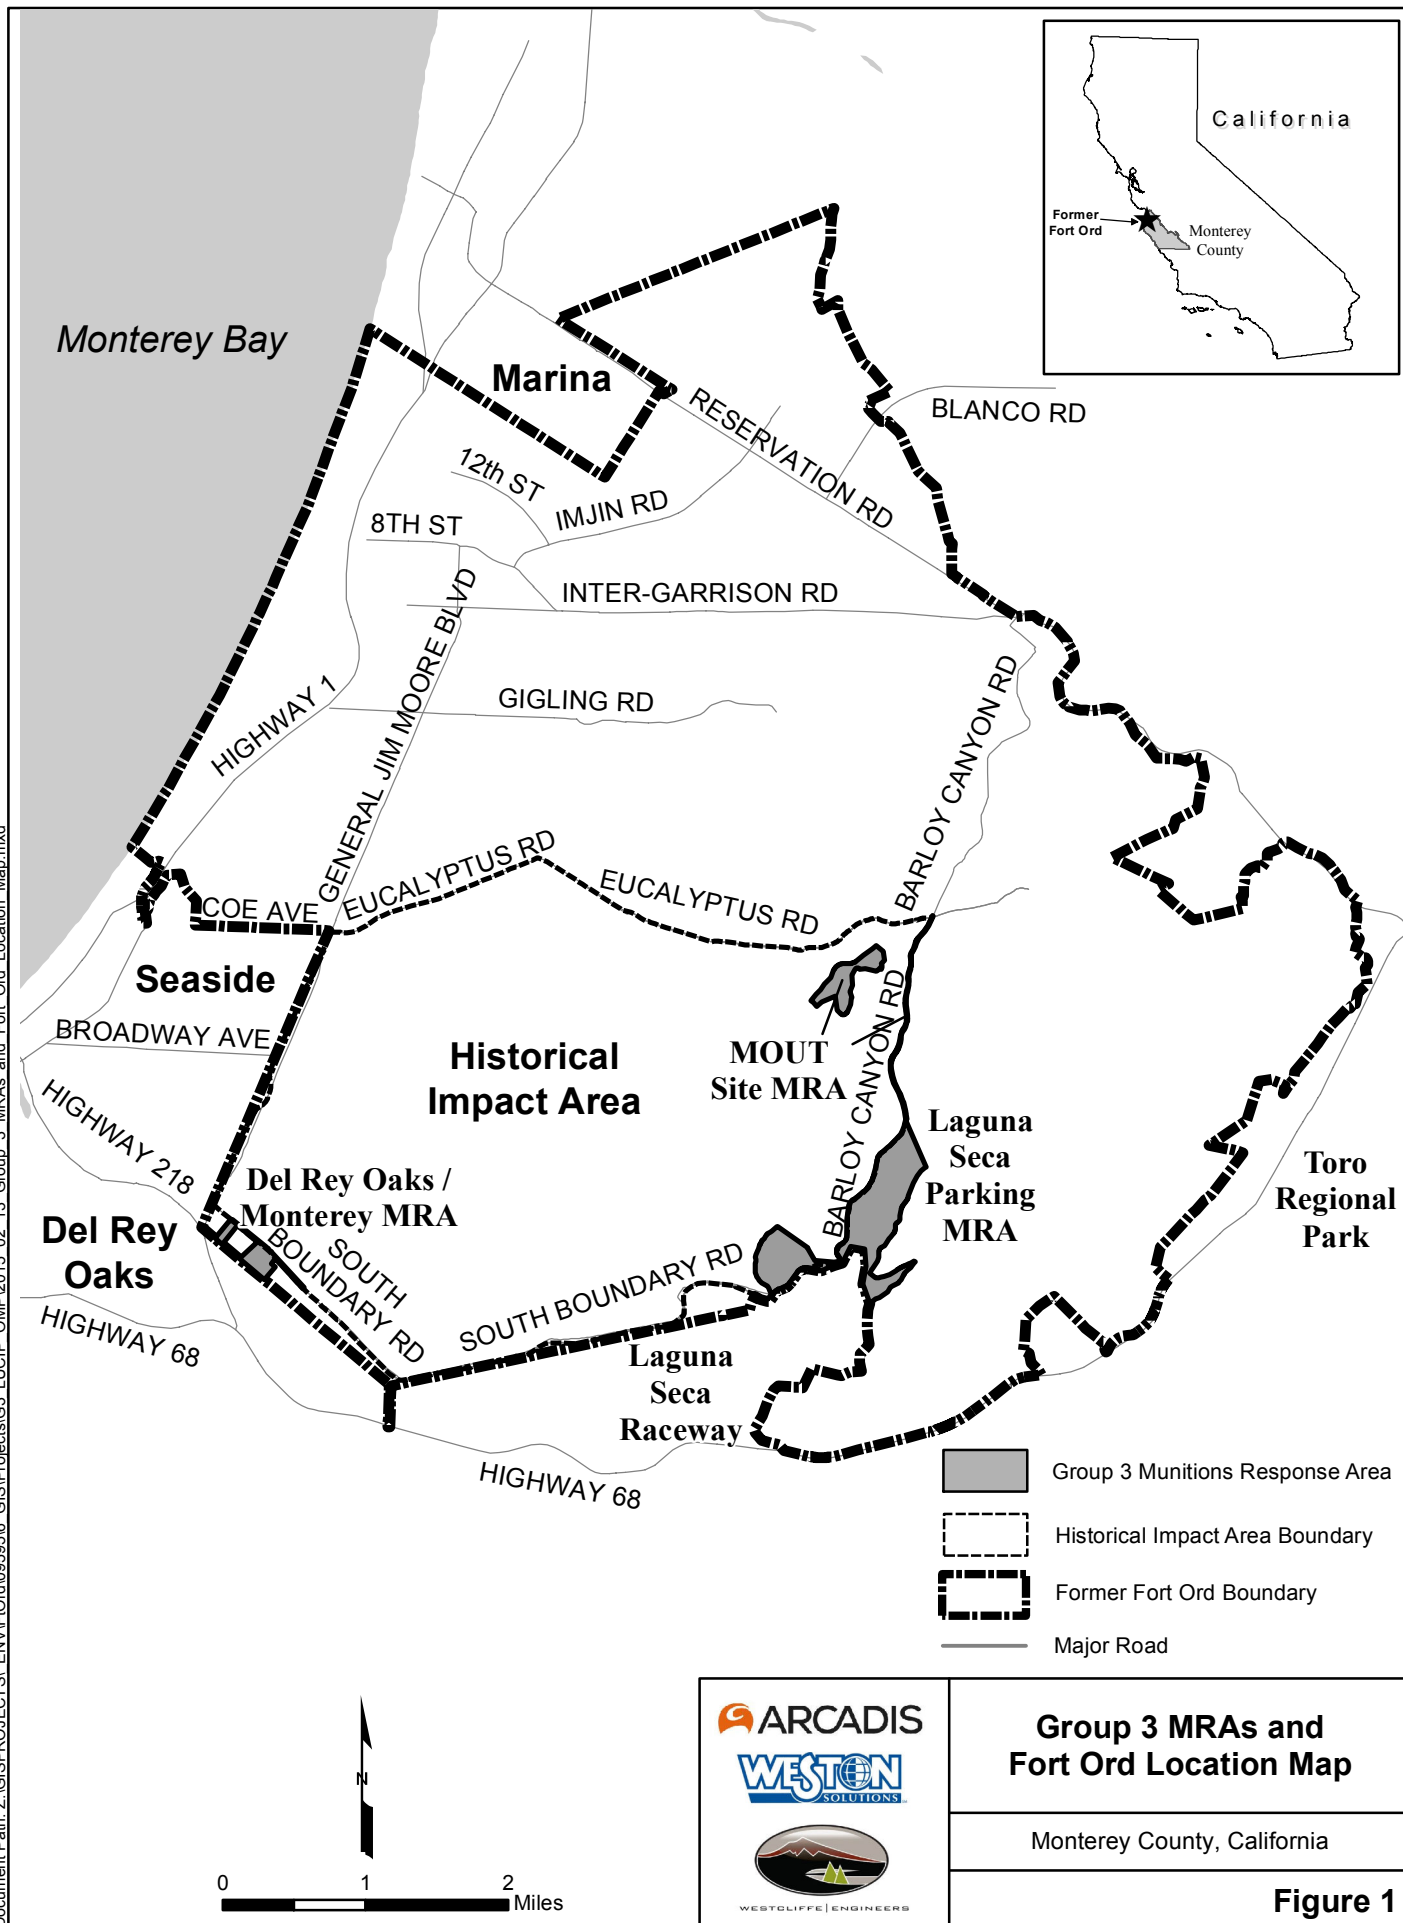

Former Fort Ord Location Map

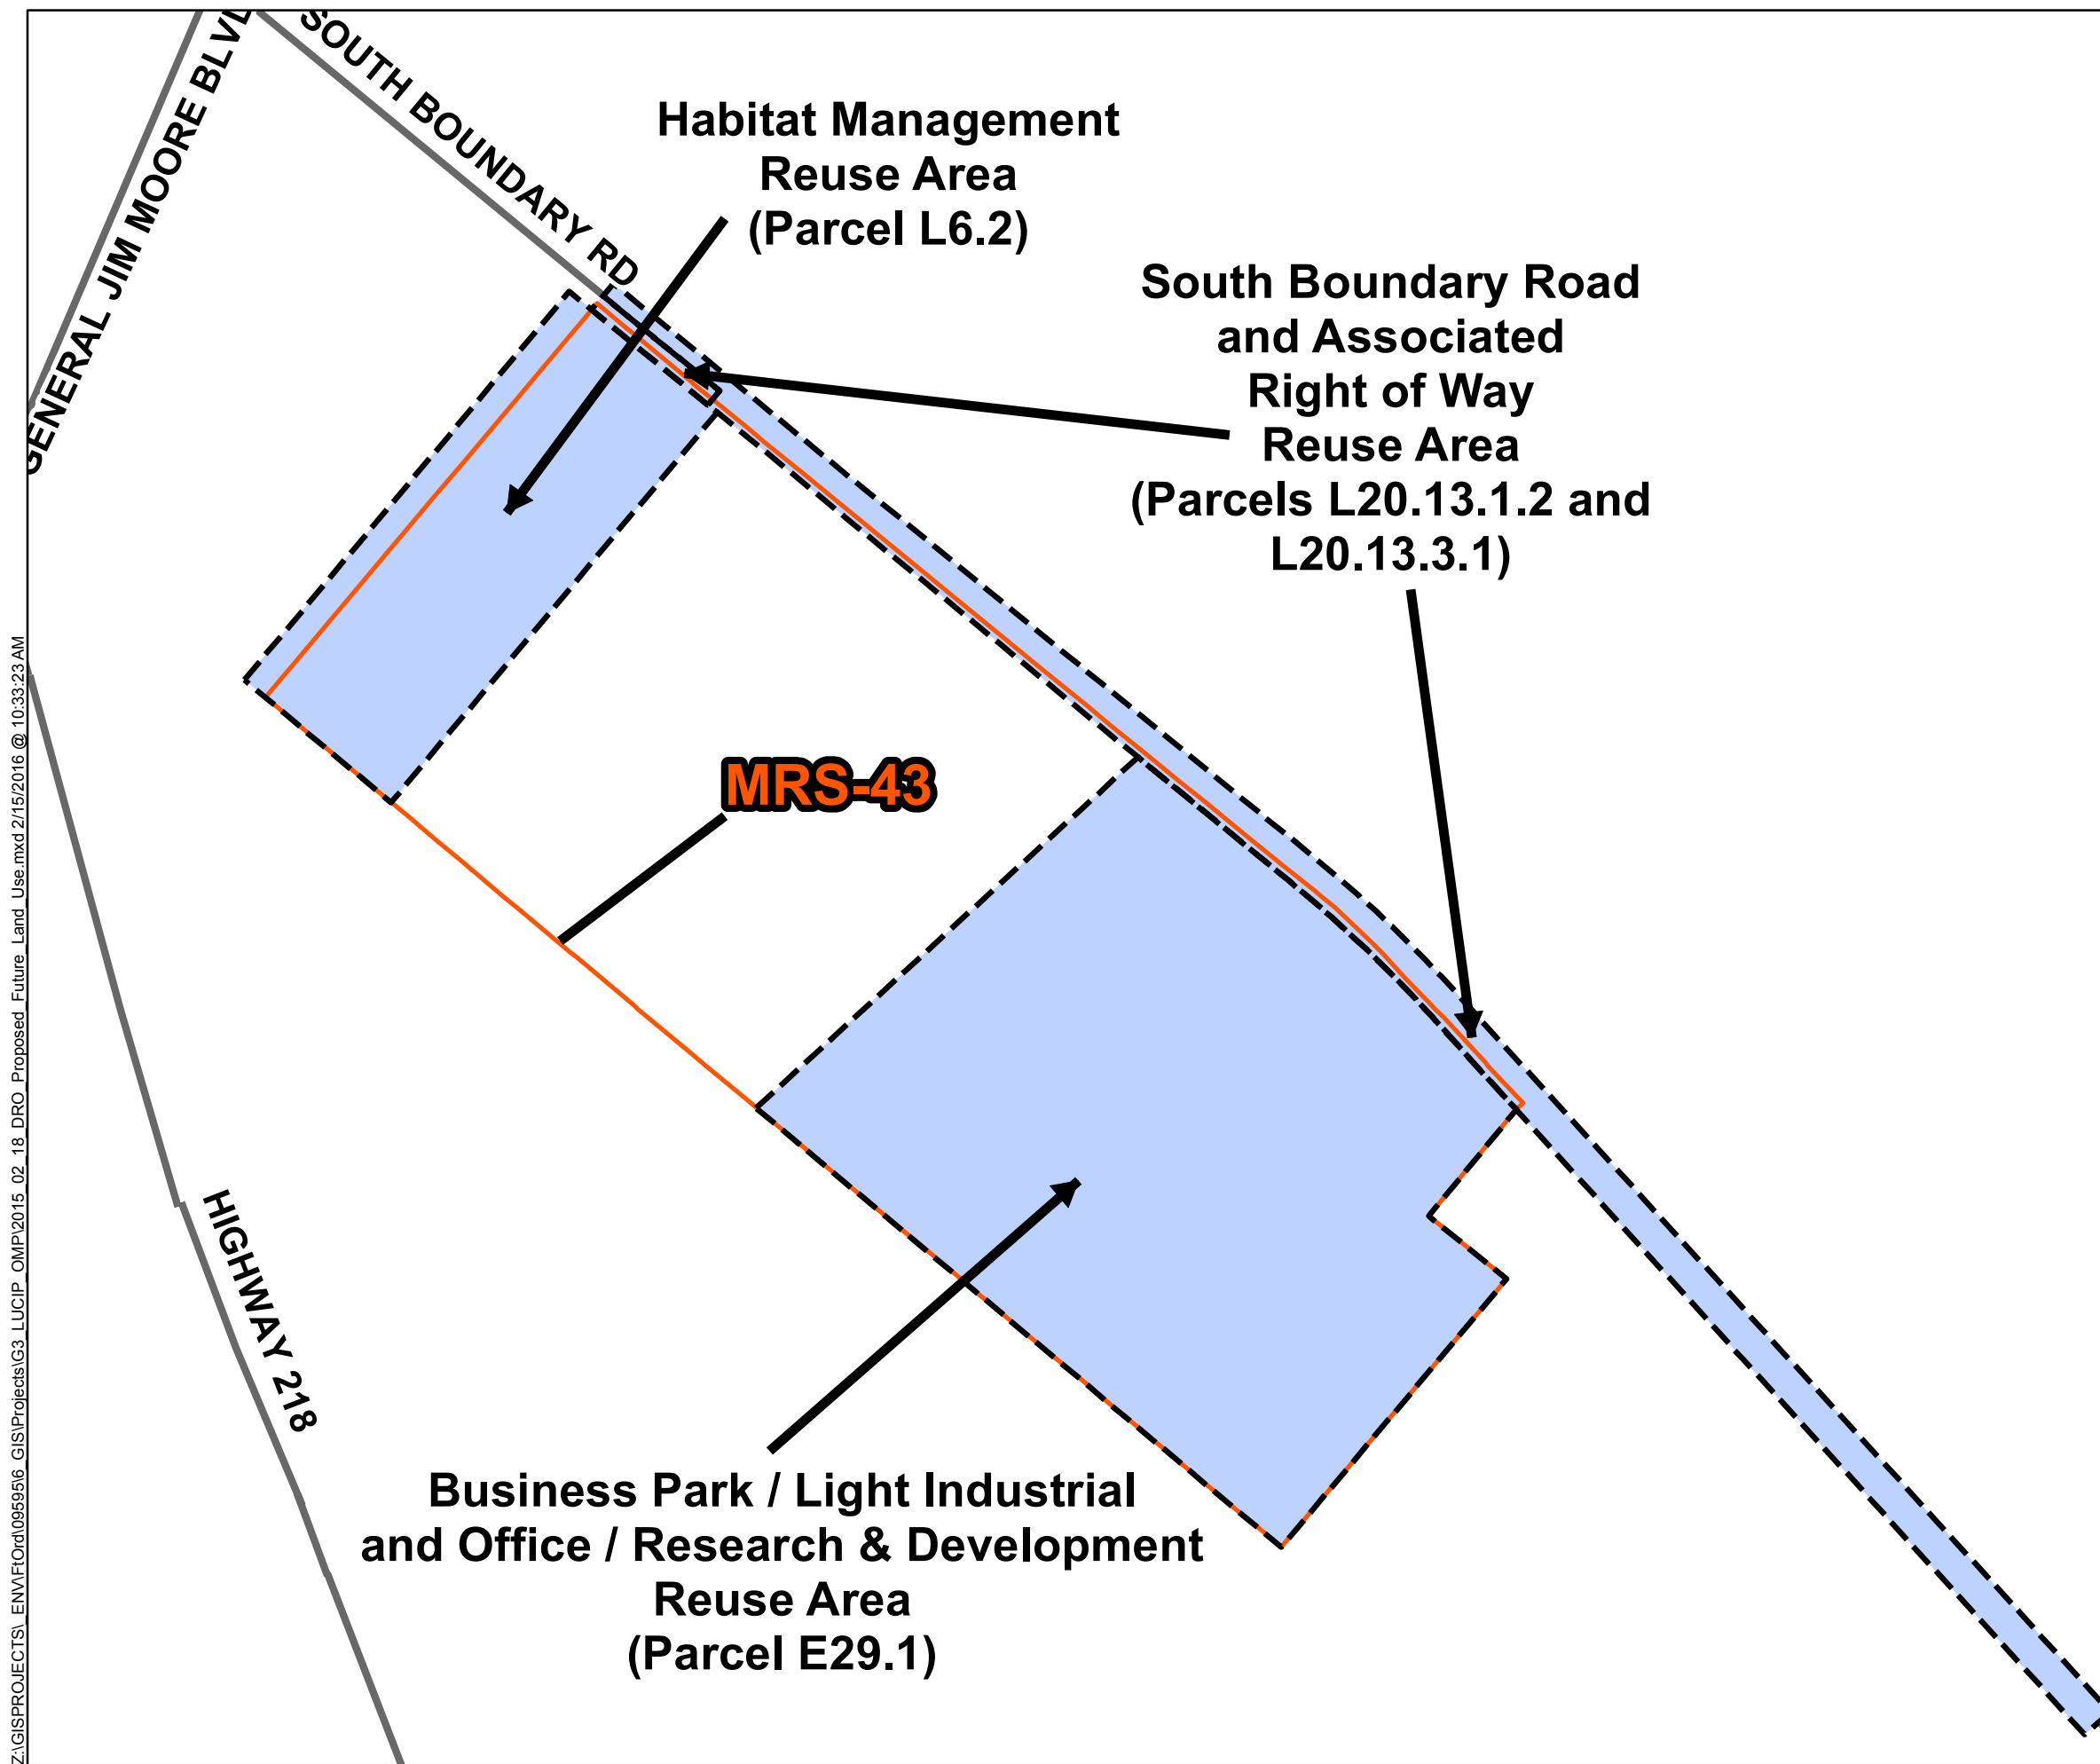

ESCA Property Designated Future Land Use

FORA ESCA RP
Monterey County, California

Document Path: Z:\GIS\PROJECTS\ENV\Fort Ord\095956 GIS\Projects\G3 LUCIP_OMP\2015_02_13 Group 3 MRAs and Fort Ord Location Map.mxd

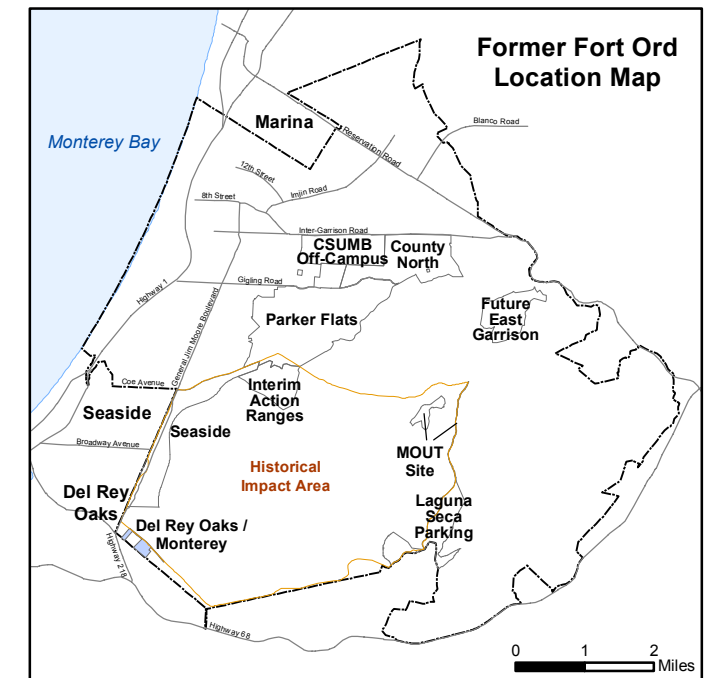

Z:\GISPROJECTS\ENV\FortOrd\095956_GIS\Projects\G3_LUCIP_OMP\2015_02_18_DRO_Proposed_Future_Land_Use.mxd 2/15/2016 @ 10:33:23 AM

Legend

-  Munitions Response Area (area subject to Land Use Controls)
-  USACE Parcel
-  Munitions Response Site
-  Major Road

0 300 600 Feet

**Del Rey Oaks / Monterey MRA
Reuse Areas and Munitions
Response Sites**

Monterey County, California

Z:\GISPROJECTS\ENVI\FortOrd\0959516_GIS\Projects\G3_LUCIP_OMP\DRO_Monterey_MRA_Encountering_MEC_Probability.mxd 5/11/2016 @ 1:39:47 PM

Legend

-  Low Probability of Encountering MEC
-  USACE Parcel
-  Munitions Response Site
-  Major Road

Note:
The probability of encountering MEC is presented as general guidance: each project must be assessed for the probability of encountering MEC based on site- and project-specific information.

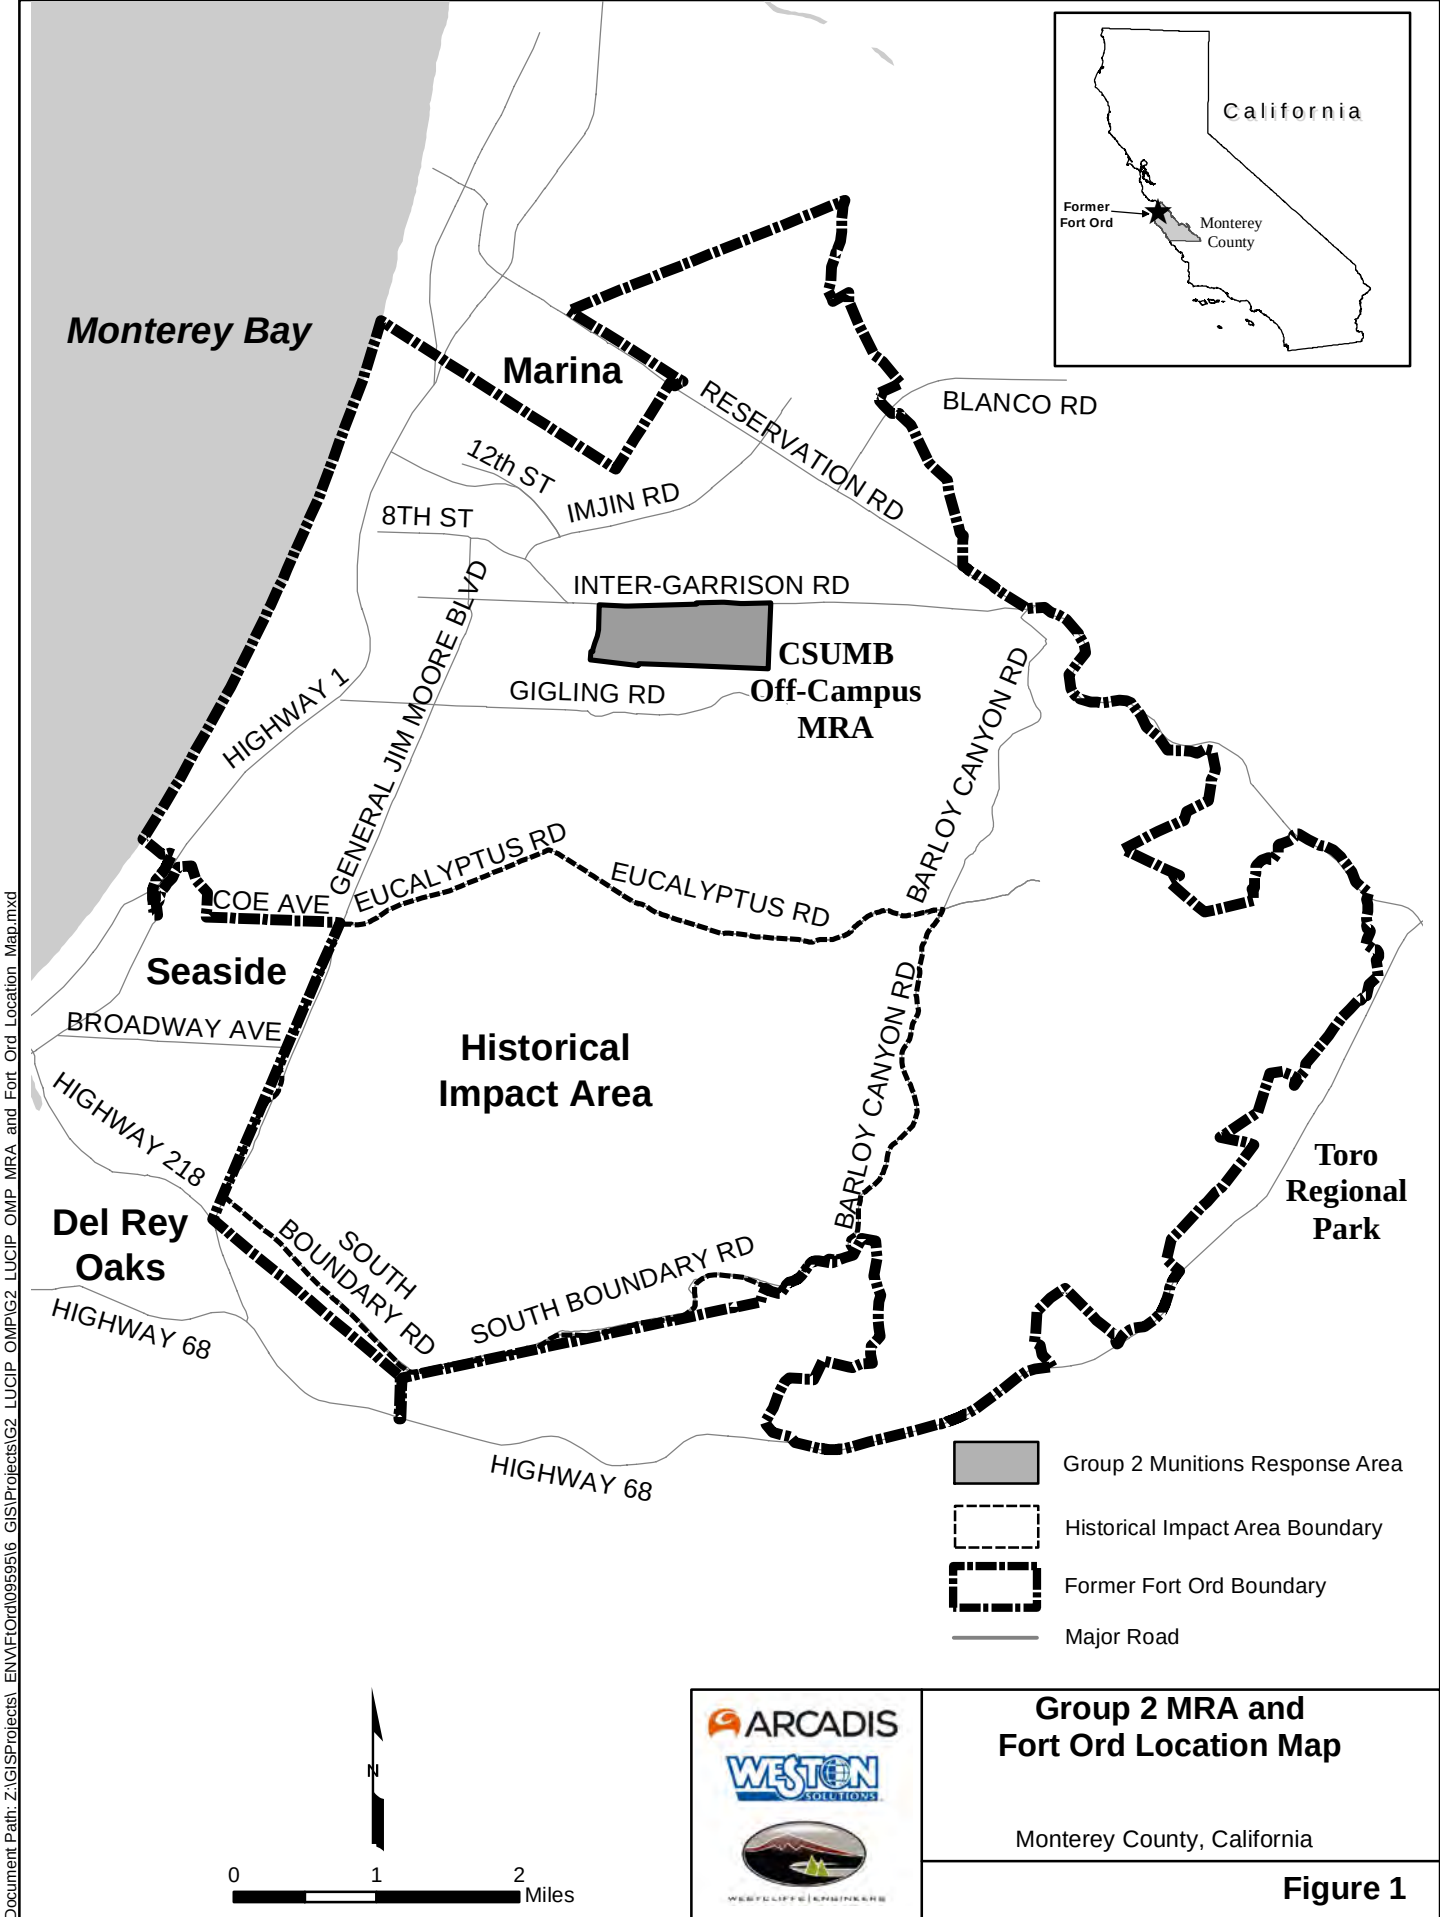

DRO/Monterey MRA Probability of Encountering MEC
Monterey County, California

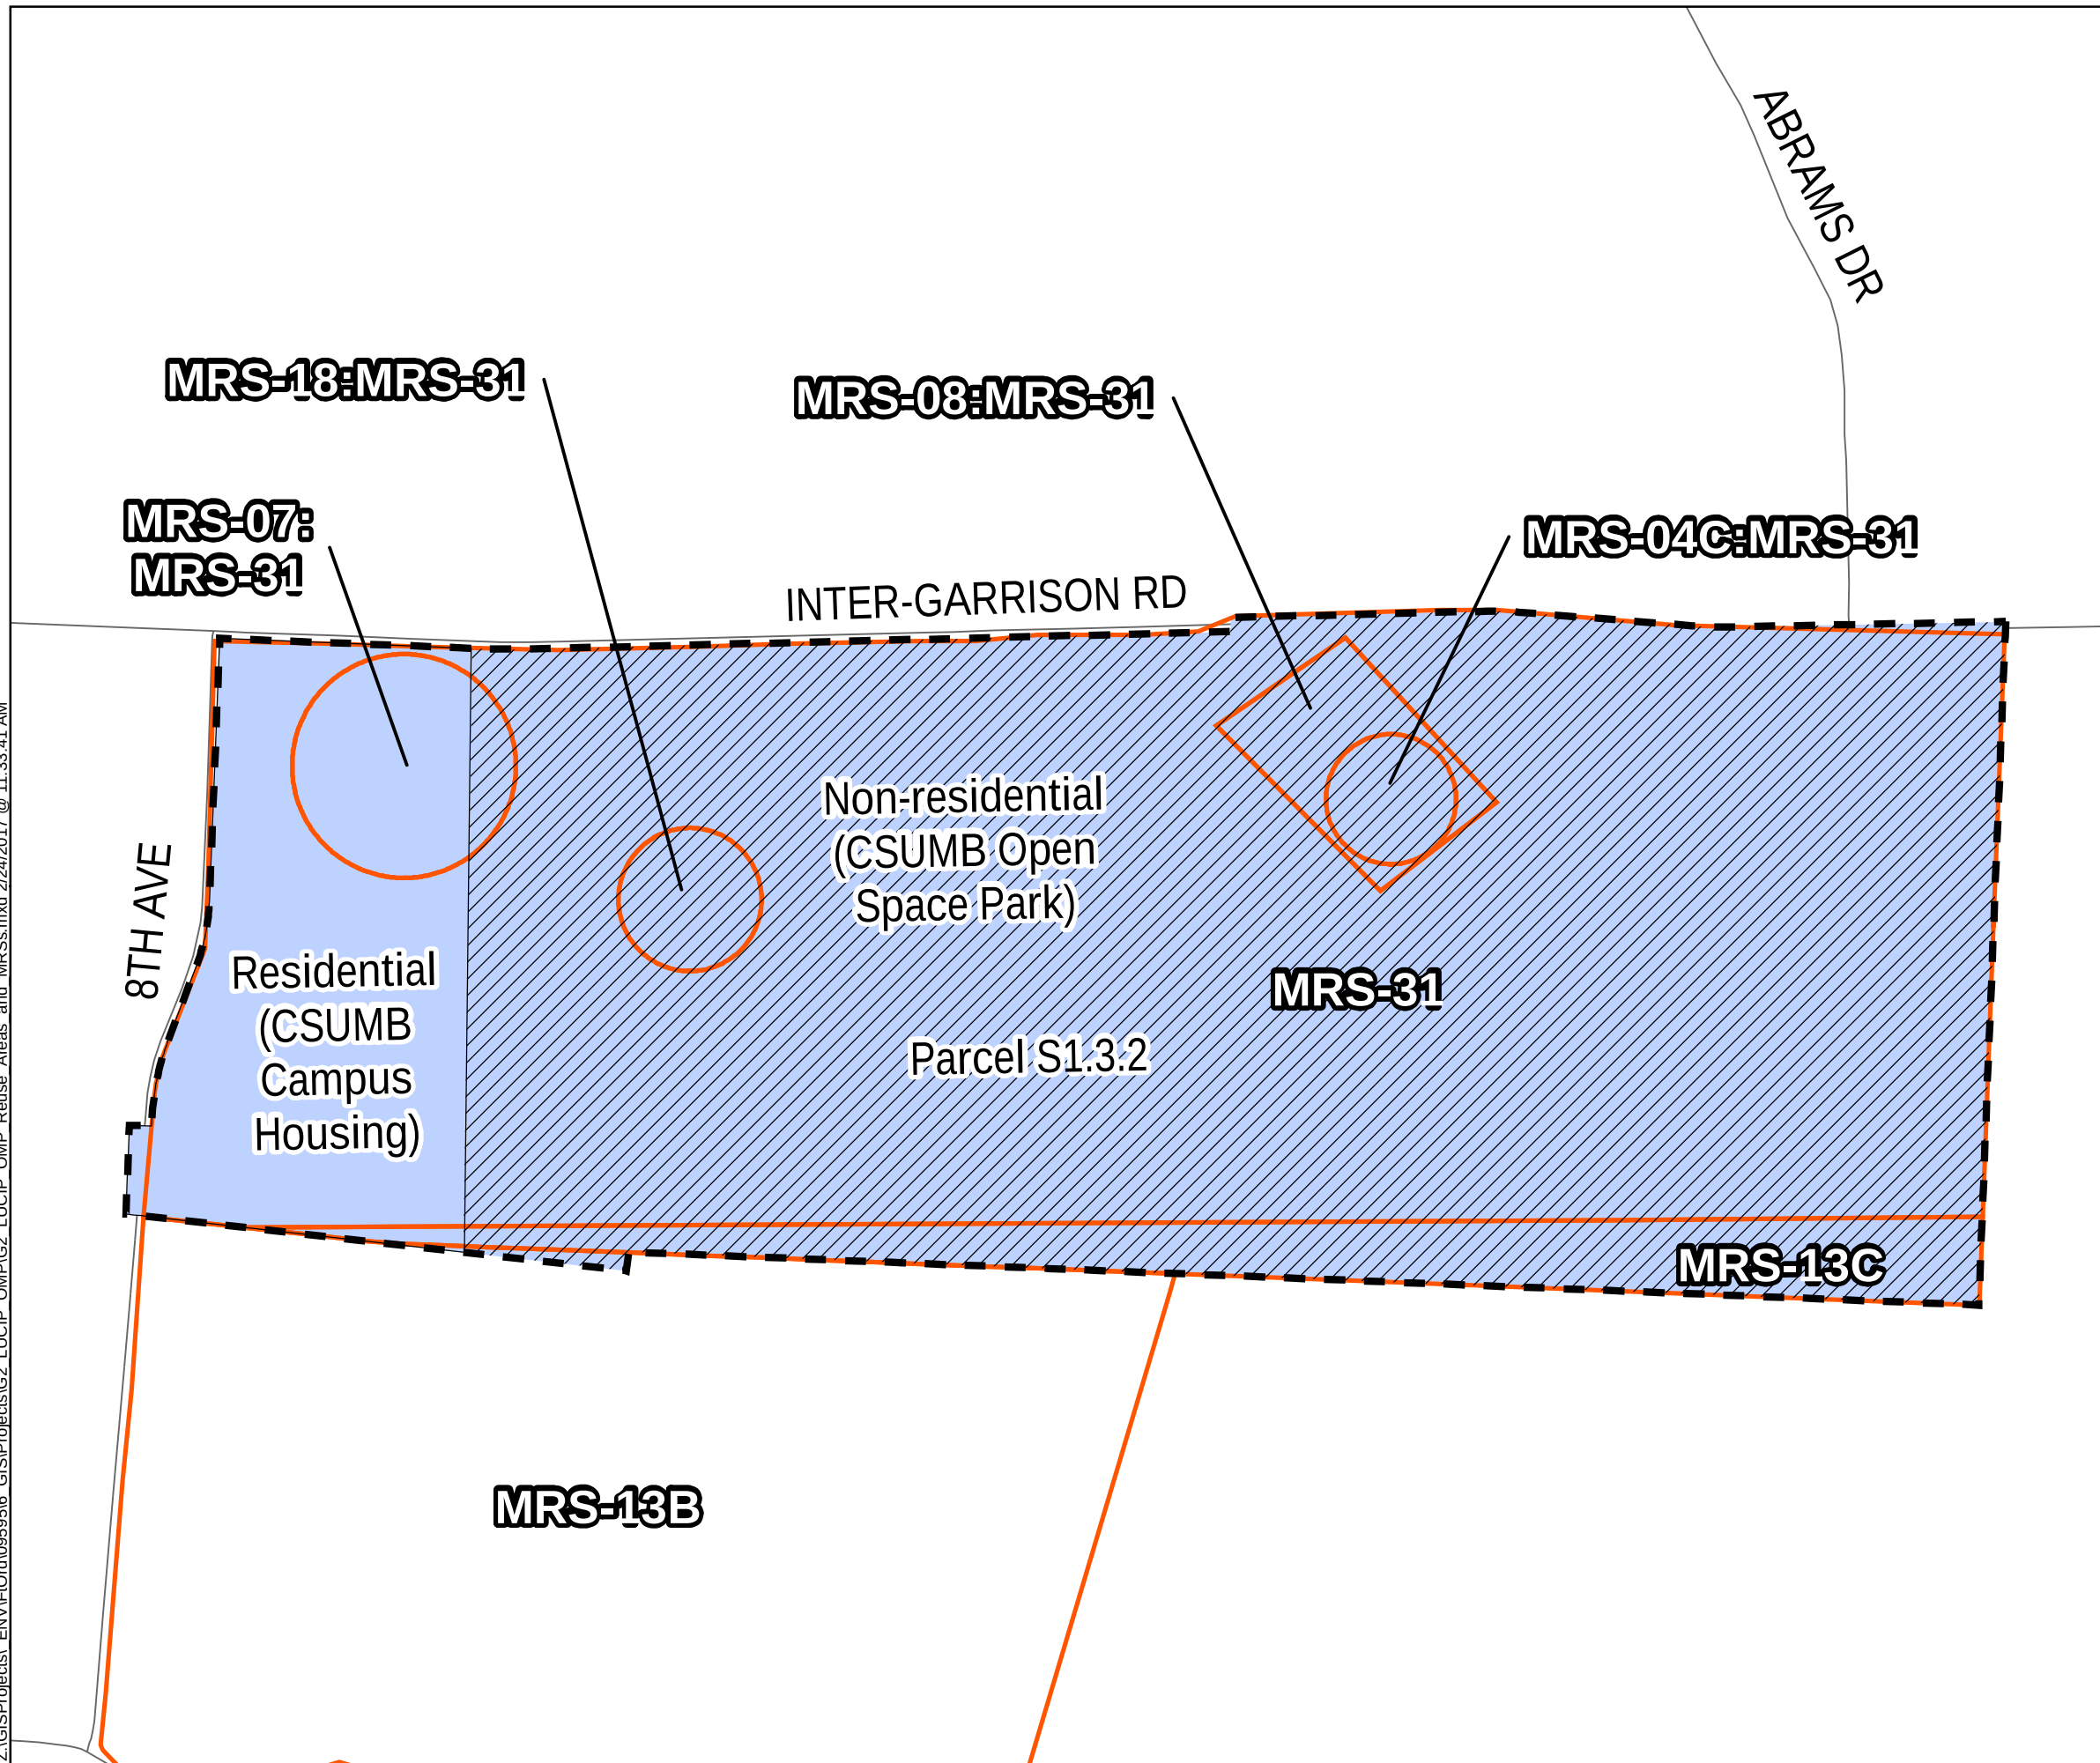

Figure 5

Table 2
Current Probability of Encountering MEC by Parcel

Transfer Parcel No.	Approx. Acreage ¹	Planned Reuse ²	MRS Site number	MRS Site Name	Past Use	Investigation Status ³	Probability of Encountering MEC ⁴
DRO/Monterey MRA							
E29.1	23	Business Park / Light Industrial and Office / Research & Development	MRS-43 ⁵	South Boundary Area	Artillery Training (37mm projectiles)	MEC removal to 4 feet bgs and/or to depth of detection completed.	Low
L6.2	6	Habitat Management					
L6.2	1.5	Habitat Management	Outside MRS boundary	n/a	None	None	Low
L20.13.1.2	0.245	South Boundary Road and Associated Right of Way	Outside MRS boundary	n/a	None	None	Low
L20.13.3.1	5						
Laguna Seca Parking MRA							
L20.3.1	42	Open Space / Recreation / Highway 68 Bypass Right of Way	MRS-47	Wolf Hill	Artillery training (projectiles), mortar training (projectiles)	MEC removal to 4 feet bgs completed	Low

Z:\GISProjects\ ENV\FortOrd\0959516 GIS\Projects\G2 LUCIP_OMP_MRA_Probability of Encountering MEC.mxd 6/26/2017 @ 10:05:52 AM

Legend

-  Low Probability of Encountering MEC
-  Area Subject to Residential Use Restriction
-  USACE Parcel
-  Munitions Response Site
-  Major Road

Note:
The probability of encountering MEC is presented as general guidance; each project must be assessed for the probability of encountering MEC based on site- and project-specific information.

**CSUMB Off-Campus MRA
Probability of Encountering MEC**

Monterey County, California

Figure 3

Table 2
Current Probability of Encountering MEC for Transfer Parcel S1.3.2

Planned Reuse ²	Approx. Acreage ¹	MRS Site Number	MRS Site Name	Past MRS Use	MRS Site Investigation Status ³	Probability of Encountering MEC ⁴
CSUMB Campus Housing	49	MRS-31 ⁵	CSU Footprint	Troop maneuvers, confidence course, and land navigation training	MEC removal to 3 or 4 feet bgs and/or to depth of detection completed.	Low
		MRS-07:MRS-31 ⁶	Mine and Booby Trap Training Area	Mine and booby trap training		Low
		MRS-13C ⁶	Practice Mortar Range	Practice mortar training	MEC removal to depth of up to 4 feet bgs completed.	Low
CSUMB Open Space Park	284	MRS-31 ⁵	CSU Footprint	Troop maneuvers, confidence course, and land navigation training	MEC removal to 3 or 4 feet bgs and/or to depth of detection completed.	Low
		MRS-04C:MRS-31	CBR Training Area	Chemical, biological, and radiological training		Low
		MRS-07:MRS-31 ⁷	Mine and Booby Trap Training Area	Mine and booby trap training		Low
		MRS-08:MRS-31	Mine and Booby Trap Training Area	Mine and booby trap training		Low
		MRS-18:MRS-31	Minefield Practice Area	Minefield practice area		Low
		MRS-13B ⁷	Practice Mortar Range	Practice mortar training	MEC removal to depth of up to 4 feet bgs completed.	Low
		MRS-13C ⁷	Practice Mortar Range	Practice mortar training		Low
